

# 395 Trawler

Up to 450 miles  
range at 7 knots!

SEE BACK COVER FOR DETAILS.

**Mainship®**  
TRAWLERS

**Top:** Wrapped in warm cherry and neutral UltraLeather™, the 395 Trawler salon is roomy and elegant. The standard lower helm and raised dinette provide panoramic views. Both the dinette and sofa convert to berths. Note: Total boat berths for 7.

**Far Top Left:** The master stateroom houses a queen size centerline berth with innerspring mattress and a large, full-height, cedar-lined hanging locker.

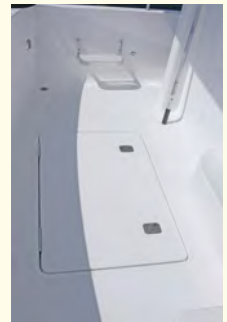

**Far Bottom Left:** The guest stateroom houses a seven-foot double berth, plenty of changing room, and cedar-lined hanging locker.

**Above Right:** The port side galley features a 2 burner electric stove, microwave oven, 2 drawer refrigerator/freezer, and stainless steel sink with plenty of storage. Genuine Corian® countertops provide durability and beauty.

**Below Right:** The 395 Trawler features a dry head with separate shower stall, genuine Corian® countertops with cherry cabinetry, low maintenance fiberglass sole and bulkheads, and a large amount of storage.

**Top and Far Left:** The flybridge is by far the largest in its class. The helm seats three abreast and provides a large area for your electronics with wide and unobstructed sightlines. With the additional port and starboard flybridge seating, eight people can relax in comfort.

**Above Left:** Mainship's signature BridgeWalk molded-in bridge stairway ensures safe passage up to and down from the flybridge.

**Above Right:** The cockpit of the 395 Trawler features engine and lazarette access and provides a top deck overhang for protection on weather days.

**Above:** The optional flybridge summer galley provides a perfect focal point for your entertaining or alfresco dining. This popular Mainship option includes a fresh water sink, Magma® propane grill, refrigerator and room for an optional ice maker.

## DECK, BRIDGE AND COCKPIT

Anchor Locker
