

THE UNITED STATES NAVY

"The Fortress anchors had far greater holding power than any other anchor tested."

BATEAUX (France)

"We tested the lightweight Fortress FX-23, and the results were remarkable!"

CRUISING WORLD

"The Fortress Anchor outperforms other anchors of comparable size."

CHAPMAN'S PILOTING & SEAMANSHIP - Elbert S. Maloney, Author

"I've used a Fortress as my primary anchor in sand and mud bottoms for more than 20 years. I have found the Fortress to be thoroughly dependable."

MOTOR BOATING & SAILING

"Fortress makes it practical for boat owners to carry a large storm anchor they might previously had no room for."

MULTIHULLS

"After almost a full year of heavy-duty cruising, there is no way I would revert to the old heavy steel anchors again." - "300 Day Cruising Test"

NAUTICA (Brazil)

"The Fortress FX-7 wins again on our second test with impressive performance." (tests conducted in 1996 and 2010)

NEPTUNE YACHTING (France)

"The Fortress FX-23 attained far superior holding power than its much heavier opponents."

PAKRYSS (Sweden)

"Be assured that on the combination of anchors and the clay type bottom we tested in the published test, the Fortress anchor performed absolutely best."

PONTOON & DECK BOAT

"The Fortress is the best fluke type anchor we have ever tested."

POWER AND MOTORYACHT

"Fortress carries the 'form, not weight' theory to its logical conclusion."

POWERBOAT REPORTS

"The perfect anchor? We like Fortress!"

PRACTICAL BOAT OWNER (UK)

"Fortress anchors have at least twice the holding power of the other types"

tested."

PRACTICAL SAILOR

"The Fortress is hard to beat. We continue to be impressed."

TRAILER BOATS

"The Fortress FX-16's holding power is excellent in all conditions."

SAIL

"A well made aluminum anchor is at least a viable alternative to the various already proven designs in steel...the Fortress anchors tested highest."

SAIL (Oct. 06)

"With its light weight, quick setting and retrieval, enormous holding power at a variety of scopes, and easy stowability, the Fortress ranked high among all the anchors we tested."

YACHTING

"Fortress represents the best in anchor technology."

YACHTING MONTHLY (UK)

"The Fortress set very quickly during our tests. It outperformed all the other anchors by a significant margin."

YACHTING MONTHLY (UK - Dec. 06)

"The Fortress's ability to dig in instantly and hold was astonishing – especially as it weighs only 22 lb, one of the lightest anchors tested."

VOILES (France – May '12)

"The Champion of all Categories."

VOILES ET VOILIERS (France July 09) & **YACHTING MONTHLY** (UK - Nov. 09)

"We were astonished by its holding power of more than 3 tonnes, equivalent to the cable load of a 12m (40ft) yacht in a hurricane."
